Dear Sirs

Re: BS EN 14351 - 1: A1:2010 CE Marking

As part of our company's strategy to help secure our long term future and compliance with mandatory Harmonised European (hEN) Standards, we are currently in the process of implementing the new Standard for Windows & Pedestrian Doorsets, EN 14351-1:A1:2010. The Construction Products Regulation 2011 and the UK guidance documents, such as GGF Data Sheets, are quite specific concerning the components that we need to source, in order for us to comply with the requirements of the Standard.

So that we may continue sourcing glass from you, we ask that you (as applicable)

1. Supply us with a signed copy of your Declaration of Performance to EN14351

I would appreciate your urgent attention on this matter.

Yours faithfully

Neil Whitehead
